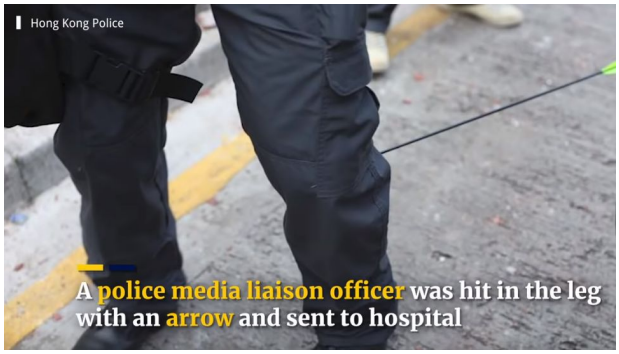
# How to free Hong Kong from China's tyranny

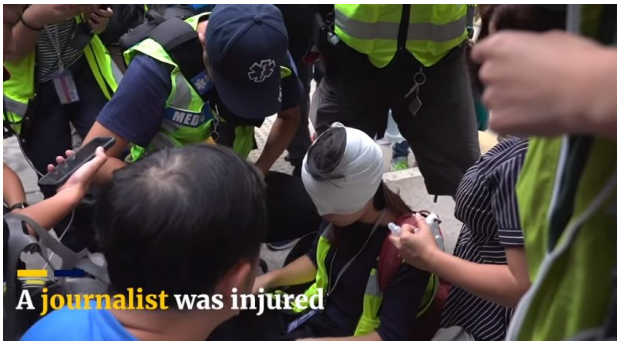
## A beginner's guide to hate China

**Author:** tesla-cat.github.io/hk-riot **Date:** 19 Nov 2019

### Step 1: Burn police cars, then other cars, then trains, then everything else

### Step 2: Hurt policeman, then old man, then other man and woman





**Step 3: Escape via ropes or sewers**

**Congratulations !**
**You have freed Hong Kong from China's tyranny and you are finally happy !**

**Bonus Tip:**
**Throw petrol bombs and shoot rocks using giant slingshot at police like a PRO**
